FRINGES, EDGINGS, RUFFLING and PLEATING

BUCILLA BEDSPREAD FRINGE—PUT UP IN SPECIAL BEDSPREAD LENGTHS Contains Sufficient Fringe to Trim Double Bedspread and Bolster

These miniature bolts containing sufficient Fringe to trim a full size double Bedspread and Bolster provide a most convenient way to merchandise this item. This practical put-up enables you to increase your sales of Fringes, as it is a simple matter to sell your customer the Fringe she requires the same time you sell her the stamped Bedspread, when she sees it already cut and packed for her in this convenient form. Besides, this special put-up saves you money by eliminating waste due to short length leftovers. Order Bucilla Fringe Cards for all Stamped Bedspreads requiring this trimming.

HOOKED RUG *and* NEEDLEWORK FRAMES

The New BUCILLA STANDING FRAME

*For Rug Hooking and Tapestry
Needlework*

Art. 7110

THIS newly designed standing frame embodies entirely new and exclusive features that make it unquestionably the finest frame that has ever been devised for rug hooking, tapestry, or other needlework. It is constructed of very fine kiln-dried hardwood, ensuring long wear and satisfactory service.

*The unique and exclusive features of the new
Bucilla Standing Frame are:*

- 1.—The frame may be easily reversed for the clipping of hooked rugs as shown in Photo B.
- 2.—The foot rest bar makes the frame absolutely rigid and steady while working (see Photo A).
- 3.—The frame is a separate unit from the stand so that it may be used without the stand if desired.
- 4.—The stand is easily adjustable to different positions. Complete instructions included.

A most important feature is that the frame is packed in individual sealed cartons in such a way that it takes a woman just a few minutes to put the entire frame together, without the use of any tools.
